Hello fellow McKinley Chapter Members. It has been a while since I have sent you all a message. I hope you and your families are doing well during the COVID-19 pandemic, and as EHS Professionals you are learning new ways to collaborate and serve your customers. Not to sound cliché, but necessity is the mother of invention, and I am sure there will be many technologies, skills and learnings that will help drive our profession into the future.

As far as Chapter business we are approaching that time of the Chapter year where we nominate and select our Executive Committee for the 2020 – 2021

Chapter year. This month we will provide you with the selection and nominations, with elections to be held next month in June. The elections typically take place during our Chapter Appreciation Picnic. It is unclear at this time if we would be able to proceed with our picnic as most shelters and lodges are closed through at least May 31, 2020. More to come.

As always, thank you for your support and we look forward to when we can resume a more normal Chapter schedule.

Sincerely,
Steven Zalar
ASSE McKinley Chapter – Past President
